

News Letter Jan-Apr 2020

Hi everyone, you may have noticed some changes to the nursery environment. Staff have been working hard to create a fresh new look to our centre.

There have also been some changes with our staffing as you know although there are more on the horizon. Jackie and Aileen have secured promoted posts as Depute head of Centre with Jackie moving to Williamburgh ELCC and Aileen moving to Dargavel we will be sad to see them leave.

Prams and Buggies

Our new pram/buggy shed is situated at the side entrance of the nursery. Could you please remember to fold your buggy if possible and store it here. The foyer is a fire exit and we cannot have any items blocking the exit. Thank you.

Phone calls from staff

If your child has a serious bump to his or her head, a member of staff will give you a phone call to let you know. This may not mean you have to come and collect your child it is a call to let you know about the injury. When collecting your child you will have an accident report to sign, you will also be given a slip with information from the NHS on head injuries.

Sensory Group coming this Spring!!

Kally and Stephanie are excited to announce a brand new Sensory Group. They wish to welcome all children under 3 years old along with their parents/carers to join them as they explore a variety of themes using senses. They are hoping to start this group on Thursday 30th April at 9.15 am, this group will run every Thursday on a 4 week block. If you have any questions please see Kally or Stephanie.

Stay, Play, Learn

Early Years Scotland will be holding these sessions in the Dance Studio every Wednesday 1pm- 3pm for a 5 week block. If you have any questions see Lindsay and Clare.

Snack routines

There are menus at each of the snack areas in the 0-3 and 3-5 room. This is a light healthy snack the children can enjoy together in the homely environment. You will have noticed the changes that have been made in these areas. Our new dining tables and chairs allow for social interaction between children and staff. Children are encouraged to be independent at these times serving themselves and each other. Can you please inform your child's keyworker of any dietary changes or allergies.

Please visit our parents committee page on Facebook to find out about any upcoming events.
